Subject: Review of the Draft Feasibility Study Report – Seaplane Lagoon, Alameda Point, California,
dated November 2004

The Department of Health Services (DHS) has reviewed the subject memorandum. DHS has no comments to make regarding the subject document. As discussed in the document, 19 core samples had not been analyzed in time for inclusion in this draft document. We look forward to reviewing those sample results in the next draft.

This review was performed by Ms. Penny Leinwander, Associate Health Physicist in support of the Interagency Agreement between DTSC and DHS. If you have any questions concerning this report, or if you need additional information, please contact Ms. Leinwander (916) 449-5688.
